

May '18 Newsletter

Here Comes Summer Nursery!

The end of the school year is already upon us which make for a busy month so hold on to this newsletter for dates/times.

Heartland will be closed on Monday, May 28th for Memorial Day. This is a full tuition week.

Please be sure to bring several sets of seasonal clothing to swap with the winter clothes we may currently still have on hand.

Our all-school Zoo Field Trip will be on Thursday, May 31st from 9:00 a.m. –1:00 p.m. There will be no staff in the building during that time. For safety purposes, each student **must** be accompanied by an adult. If you have ever been to the zoo on a spring morning you understand why each child must have an adult attend. Twenty or more schools will be there at the same time

for field trips — which is equivalent to thousands of children. This will be a special day for you to enjoy with your child. Feel free to go off on your own ... or group together with friends ... bring a sack lunch ... or purchase one at the zoo. The choice is yours, it's your day! There has been a change in zoo policy. We used to collect zoo passes and go through the gate as a group. They are no longer accepting zoo passes for school groups. Therefore we are asking families to meet outside the gate and we will pair up families with zoo passes with those who don't. It would be helpful if you would let us know in advance if your family has a zoo pass. Heartland will pay for those who don't have someone to pair up with. The bus will leave at 9:00, so be sure to arrive by that time. Please let us know if

you will be riding the school bus to the zoo or meeting us there. There will not be room for strollers on the bus. Heartland will **not** be open after the fieldtrip for a faculty meeting and summer prep.

The last day of the school year is June 5th. If your child will not attend this summer our school year will begin on Thursday, August 23rd.

Upcoming Events

- ☺ May 28—Closed (Memorial Day)
- ☺ May 31— Zoo Fieldtrip

ADULT MUST ATTEND

No students return following

- ☺ June 6 — Summer session Begins
-

Babies on the move...

The end of a school year means some babies may be moving up to the toddler class beginning June 6th. Others may not move up till the fall. This is determined by birthdays, scheduling and transition readiness. We will also be welcoming new infants and some children will take a break for the summer.

If you are not sure as to when your child will be moving

up be sure to ask one of the nursery teachers. We will also be sending home a copy of your child's developmental milestones in June. Please review carefully. All children develop at their own rate, however, these are excellent guidelines. These are great to share with your child's pediatrician at regular check ups, especially if your child is missing one or more targets.

We realize there are many programs to choose from and we feel privileged that you have chosen Heartland for your child's beginning school experience. Thanks for a great year!
