Happy New Year!

We hope everyone had a wonderful holiday! As we settle back into our daily routine the Pre-K class will be increasing their focus on alphabet, numbers and writing ... as well as our weekly themes. You may see less art projects coming home and more worksheet/writing type activities in Pre-K and Preschool classes.

Heartland's conferences will be Monday, January, 18th. We will be closed to students. This year because of COVID restrictions we will be conducting phone conferences. You will be able to sign up for a time for one of your child's teachers to call and go over their progress reports. A sign up sheet will be available at

the entrance area. A copy of their report will be given to you in advance so you may have any questions ready ahead of time. Conference times will be limited to no more than 20 minutes.

It's hard to believe it's almost time to register for summer and fall classes. Watch for registration forms out soon. January enrollment is just for current families. Sign up early before enrollment opens to the general public on February 1st. Everyone must re-enroll to continue attending.

Second semester supply lists went out before Christmas break. If you have not brought your supplies please do so asap.

Please be reminded that snow boots are not allowed in the classroom. If your child wears snow boots to school they must bring shoes to change in to. Our state regulations require shoes to be worn at all times with the exception of quiet time. We appreciate your cooperation in this matter.

Special points of interest:

- ☺ A sign up sheet for 2020 Tax Statements is available on the sign in/out table. They will be distributed by Jan. 29th.
