Happy St. Patrick's Day

It's hard to believe that March is here and the school year will soon be coming to an end. Some year end activities are still up in the air due to COVID.

We do know the soup/chili cookoff & auction will be held in the fall this year. More information at the beginning of next school year. We are trying to come up with an outdoor, safe alternative way to hold graduation for Pre-kindergarteners. We will let you know as it gets closer.

Thank you to the parents who provided treats and supplies for our Valentine celebrations last month. We appreciate all you do for your child and for Heartland.

Registration opened to the public on Monday, Feb. 1st. We still have just a few openings in each class. Thank you if you have referred someone in the past or present.

Heartland will be closed on Friday, April 2nd and Monday, April 5th for spring break. As stated in the parent manual, both are full tuition weeks.

Did You Know?

. Did you know our faculty takes part in at least 10 hours of early childhood trainings each year? This is in addition to CPR/ First Aid, Mandatory Child Abuse reporting

and Universal Precautions. All of this is in addition to teachers degrees, certifications/credentials. Educated teachers are very important to Heartland and that's

one of the reasons we are a premier pre-school.
